

**Yuvashakti Arts and Science College, Amravati.**  
**DEPARTMENT OF PHYSICAL EDUCATION**  
**ANNUAL REPORT**

Yuvashakti Arts and Science College is known as one of the leading college in sports in Amravati region which is affiliated to Sant Gadge Baba Amravati University. The institute nurtures the tradition of various cultural programs, games and sports in the college. It is a great pleasure to present the report of the physical education department of this college that along with studies, the college encourages students to participate in cultural programs, games and sports and for the overall development of the students. The students have successfully tried to convert this incentive into success. The efforts and progress made by the physical education department along with the implementation of activities are being presented to you through this report. In all these types of activities, through the physical education and sports department, the head of the department, under the guidance of Akash Vijayraa More, the students of our college are trying to achieve the height of prestige by participating in the activities of games and sports.

Every year the students of the college are selected in the SGBAU team to play inter-university tournaments. A large number of students/students participated in football, baseball, kabaddi, cricket, basketball, handball and other outdoor competitions in games and sports. Also in the current session students will be given physical fitness test for police recruitment. Guided and benefited by this, students have the option to get selected police recruitment.

Yuvashakti Degree college of Physical Education, Amravati (Governed by the same management) and Hanuman Vyayam Prasarak Mandal is very important for the success of our students in Sports. They made available their grounds for practice of the students.
